Hygiene Communication Solutions

Interior Signage

The background is an abstract composition of geometric planes. Large, dark gray planes dominate the upper and central portions of the frame, intersected by thin, dark lines that suggest structural elements or perspective. In the lower portion, a bright cyan shape, resembling a stylized, angular landscape feature or a piece of modern architecture, extends across the width of the image. The overall aesthetic is minimalist and architectural.

Size: 11" x 17"

Material: 3mm PVC w/velcro

Exterior Signage

The background is an abstract composition of geometric shapes. A large, dark gray polygon occupies the upper and central portions of the frame. Below this, a bright cyan shape extends horizontally across the width of the image, with several sharp, angular protrusions and indentations. The bottom edge of the image is defined by light gray shapes that appear to be the base or floor of the scene.
